

2 Day EmoTrance Practitioner Training

with **Kimberley Lovell** MGHR, MAMT

19th & 20th August Weston Super Mare £295

Come along and experience this simple yet powerful healing technique, created by Sylvia Hartmann, Author of Adventures in EFT. This training will enable you to clear personal issues e.g; Relationships, Shame, Guilt, Anger, Fear, Money. You will learn how to handle so-called "negative energies" and multiple aspects. Clear, energise and maintain your energy, health and well-being. Learn how to work with clients in person and over the telephone. (Global Practice) Discover the power of working with affirmations and intention. Courses are suitable for all therapists, conventional and holistic, plus any non-therapists interested in self help tools for personal use without certification. The fee includes 2 days tuition, comprehensive training manual, and supervision for practitioners for 2 months following the training if required.
